

The Institute of Hong Kong Value Management

Seminar to be held in January 2007:

Topics : Development and Application of Value Management in Korea
Guest Speakers : Prof. Chang T. Hyun and Prof. Tae Hoon HONG, University of Seoul
Venue : Harcourt Room, Hong Kong Club, 1 Jackson Road, Central, Hong Kong
Language : English
Date : 31st January 2007 (Wednesday)
Time : 18:00 – 19:30

WHY THIS SEMINAR?

Value Management (VM) is widely adopted by both manufacturing and construction industries in Korea. Some Koreans were invited to give presentation in the United States in the SAVE conference. This seminar will be presented by Prof. Hyun (president of Korea Construction VE Research Institute) and Prof. Hong. They will introduce the development of VM and the latest application of VM in Korea. All HKIVM members in construction and relevant engineering fields are welcome to join!

THE SPEAKERS

Professor Hyun is the Professor of the Department of Civil Engineering in the University of Seoul. He is the Vice President of the Korea Construction VE Research Institute (KCVE). He is an expert in Construction Value Management. His research interests include Value Management, Construction Contract and Law. He is going to briefly introduce the projects that he is undertaking and his research interests.

Professor Hong obtained his B.S. and M.S. in Architectural Engineering from Yonsei University and has professional experience in Multi-family housing and Plant at GS Engineering and Construction Corporation and Geochun Construction Corporation. He studied Construction Engineering and Management at the Purdue University, receiving M.S. and Ph.D. where he also participated in the research team for construction engineering and management. Prof. Hong is an expert in life-cycle cost analysis and facility management and infrastructure management.

Free for HKIVM Members!!
